The sun transits one circle of 360 degrees of the zodiac in a whole year. To analyse the results for a specific year of your life, a horoscope is cast for the time when the Sun in transit reaches exactly where it was at the time of your birth. This horoscope is used to predict events and foretell your life for that particular year. The annual or progressed horoscope is similar to that of the Siderial Solar Return chart in Western Astrology.

Varshaphal is also known as the Tajaka or Tajik system of astrology. Of the many writers, Nilakanta and Kesava are the two great authors who have written elaborately on the Tajik system.

The annual horoscope analysis and predictions given here are based on the principles of the Tajik system. The point called Varshapravesh, is the entry into the new year and has great significance. This is calculated as per the elaborate methods suggested in the ancient texts. The day of the week of your birth, is also considered for Varshapravesh. Apart from the ascendant in the annual chart, called Varsha Lagna other important influences analysed are that of the Muntha, the Lord of Muntha and the Lord of the year.

There are wide differences in rules, for judging a horoscope under the Parasara system and the Varshaphal. The set of rules for aspects and combinations in the two systems are distinct. The strength of the planets are ascertained by Panchavargiya Bala rather than Shadbala, as in the Parasara system.

In the foregoing analysis, you can see that the effects of various factors are sometimes contradictory and at times reinforcing. While some unfavourable influences are neutralised by favourable factors, often you will experience all these at least partially at sometime during the year. An overall judgement of the year ahead is given at the end of each annual forecast.

Please remember that the Varshaphal period covers an entire year from the day of Varshapravesh, which is approximately from one birthday to another.

The predictions given here are indications of the fortunes ahead and you can surely surmount any hard times, by your diligence, will-power and the grace of God.

## Effect of Muntha

Muntha is a sensitive point in the annual horoscope. Muntha moves by one rasi per year from the birth ascendant. The position of Muntha in the annual chart has a significant effect on the results one can expect during the year.

Muntha is in the first house. This is a favourable position. As a young man, you have the chance to excel in your career. For those who take up a new profession or maybe enter into a new relationship, prosperity will go with you. Your friends will be many and even those you considered rivals, will turn over to your side. You will become more popular and good health will follow you. As regards financial matters, you will be quite comfortable.

## Lord of Muntha

The lord of the house where Muntha is placed is called Munthesh, the Lord of Muntha. The effect of Munthesh is only secondary to that of Muntha.

In this case, while Muntha is placed well, the Lord of Muntha also is in a good position. This reinforces the good effects.

The lord of Muntha is in the eleventh house. For you, this year indicates certain gains at work or otherwise. You could do better at your career than you ever thought you would. You will be a popular man among your family and friends and even in your neighbourhood.

## **Lord of the year**

Varsheswara, the lord of the year is selected based on various factors as shown above. The lord of the year has a significant influence on the events that unfold during the year. The strength of the planet is also an important consideration.

Saturn is the lord of the year and is strong. This year, you have a chance to acquire some land or property. You could get money from foreign sources. However, watch out if you make new acquaintances among vicious people. Avoid the temptation to make money through illegal means. This is not a period you can depend too much on others. Try doing more things on your own. There could be an enhancement of your status at work or in society. You will have victory over your adverseries. And prosperity is sure to be yours through the hard work you put in.

## **Birth Lagna**

The position of birth lagna in relation to varsha lagna has special significance.
